# Mobility from Spain – I.E.S Manuel Tarraga Escribano (21-25.03.2022)

The theme of the transnational activity is "Celebrating diversity".

- Activities carried out:
- We celebrate diversity - activities in which students from partner schools presented something specific to their countries: music, dance, traditions, cuisine, etc.
- Tell a Story" - each team presented a popular story in their country that promotes a moral value, a teaching. It was an opportunity to discover that moral values are generally valid, values such as truth, close love, motherly love, etc. they are human values, generally valid, regardless of the culture to which they belong.

- Workshop - "Overcoming obstacles!" - Imaginative writing. The students organized themselves into mixed groups and were tasked with writing a story that would overcome any barrier, taking into account the Erasmus+ experience, values, history, customs and what they can do to create an atmosphere of friendship and acceptance. These stories were written in groups and their output was a mixture of all the countries involved.

Common learning activities – applications used in the educational process and English demonstration class and activities in "open classes" for students with special needs.
